Iskandar Rassulov
Java Spring Developer

+7 (778) 825-89-62 | +39 (320) 438-31-70 | iskander.rassulov.2002@gmail.com

---

Skill set

Java 22 Spring Boot PostgreSQL Git Maven Gradle RestAPI

Projects

File Converter

Technologies: Java, Spring Boot, FFmpeg
A simple web-based file conversion tool powered by Spring Boot and FFmpeg/LibreOffice

- Developed a web-based file converter supporting **19**+ formats, including images, audio, video and documents
- Integrated FFmpeg for media processing and LibreOffice for document conversion with seamless browser-based previews

Database Wizard

Technologies: Java, Spring Boot, PostgreSQL, Rest API
A web-based database management tool for interacting with PostgreSQL databases efficiently.

- Developed a user-friendly interface for connecting to databases, viewing, modifying, and managing tables.
- Implemented features for data insertion, deletion, filtering, and searching with real-time updates.
- Added export functionality for structured data retrieval and seamless database operations.
